Site Analysis

History

The historic maps show a creek that ran along 43rd Street. The images to the right are from a photo album of Chestnut Wold, the Clarence H. Clark Estate that occupied the block from the 1860s to the 1890s. From 1920-1970 the block was occupied by the Divinity School. In 1986, PIC moved to their current location and PAS was opened in 2001.
