WINTER CLOTHING DRIVE

Nationalities
SERVICE CENTER

Help keep refugee families warm this winter!

Students can bring clothing donations in to Penn Alexander

Who Are Refugees?

Refugees are people who have fled their homes because they fear persecution. They have left everything behind and set out in hope of finding safety and a new life. They are in need of the caring welcome that our community can provide. Each year, we help approximately 4,000 immigrants and refugees from over 90 countries.

Refugees often arrive with no clothing appropriate for Philadelphia winters.

Please consider donating new or gently used: **winter coats, scarves, long underwear, hats, socks, boots, gloves, sweaters, sweatshirts, umbrellas.** We need clothing in **all sizes!**

For more information please contact donations@nscphila.org.
