September 2019

Dear Parents:

Welcome to another great year at Penn Alexander! PAS is a community of engaged families, teachers, and administrators who all strive to give our children the best education possible — one that has earned our school a prestigious National Blue Ribbon award and recognition as the Philadelphia School District's highest-performing K-8 School.

The Home and School Association of Penn Alexander School is an important partner with the school. **The HSA is made up of you - the hard-working parents and caregivers who support the school through fundraising and volunteerism.** Our goal is to help maintain an exceptional neighborhood school that provides the best possible learning environment for our children.

What the HSA does:

- Raises money for school programming — including the school's full-time art teacher, Mrs. Durant, and after-school clubs
- Promotes school spirit and community involvement through special events, such as the Ice Cream Social, Bingo Night, and the 5K Run for Art & Science
- Supports teachers and staff by helping meet classroom needs (reimbursing them for classroom supplies they buy out-of-pocket) and recognizing accomplishments
- Secures volunteers for key school activities such as class trips, school events, and more
- Helps keep parents informed of school activities and news

We can provide this support in part because of donations from you. **Our goal for this school year is to raise \$150,000, with 100% of Penn Alexander families contributing.** In order to maintain the current level of programming and to meet our fundraising commitments, we are asking for **\$100 per student.** **We ask all families to give what they can,** understanding that not everyone is able to give at all times. In past years, individual donations have ranged from \$10 to \$6,000. Every donation of time and money counts, including the support PAS gets from you — our dedicated families — along with local businesses and organizations, relatives, alumni, and neighbors.

Please **return the pledge form (on the reverse side of this letter)** with a check or donate online at [www.pennalexander.org](http://www.pennalexander.org).

**Thank you** for your commitment to maintaining a **high-quality, sought-after neighborhood public school** that reflects the diversity of the city. We look forward to another terrific year for the students!
