2021-22 Student Placement Requests

As we approach the spring season our teachers and staff will begin reflecting on our current programs and models to begin the planning process for the 2021-22 school year. During the planning process, we will spend significant time discussing student growth and needs to ensure classroom placements for the upcoming school year are purposeful. In both assigning individual students to classes and creating groups, there are many factors we must keep in mind. We will consider each student's placement to ensure needs are met.

I will work with individual grade teams as well as our student support staff to keep all aspects of your child in mind as we assign a cohort of students and teacher to each classroom. We do not take this task lightly. Due to the work that is required during this process, and complex nature of the task, I respectfully ask that you do not request a specific teacher for your child.

If there are extenuating circumstances that you do not believe we are aware of, feel free to communicate this information in writing to me prior to the beginning of Spring Break, April 9, 2021.

I assure you that your child's best interests are at the forefront of our planning and decision making. As usual, families will be notified of their classroom placements on the final report card which is distributed on the last day of school. Thank you for your cooperation.

AAPI HERITAGE MONTH : BOOK DONATIONS TO PAS

Dear friends,

Greetings! We are a group of Asian-American families at Penn Alexander. In celebration of May as Asian American and Pacific Islander Heritage Month, and in light of recent events, we would like to donate books on Asian-American history, experiences, and identity to PAS. We would like our teachers and students to have easy access to such resources, which not only show that Asian-American cultural, artistic, and political traditions are, but also inseparable from the broader American story. We believe this is important in opening up and maintaining dialogues of diversity and inclusion, which are crucial for our school to remain the safe, happy, and educational place that our children need.

We would like your help! There are several ways that you can support this project.

1. DONATIONS. All donations will be used to purchase books. You can make a donation via Venmo - @PennAlexanderHSA (Must note that the donation is for "AAPI Book Donations")

Cash or Checks - Payable to the PAS HSA may be dropped off to Angela Curry at 219 St. Marks Square (across the street from the playground) with the note that it is a donation for "AAPI Book Donations"

2. BOOK RECOMMENDATIONS. If you know of books that fall under the theme of Asian-American experiences please contact PAS parent Xiao Dong (dongxiaoclaire0108@gmail.com).

3. PROMOTE THIS PROJECT. Let more people know about our project.

If you have any questions please do not hesitate to contact the project coordinators:
Fangyuan (sufangyuan2008@gmail.com)
Lilly Kosaka (lillywingyen@hotmail.com)

THANK YOU FOR ALL YOUR HELP AND SUPPORT.

Have you noticed a new addition to Trolley Portal Gardens? Recently, we worked with students from Penn Alexander, the group Sunrise Movement PAS, the [University City Arts League](#), [Spiral Q](#), and [The Today Show](#) to install a new temporary art piece called "Single-Use Planet." The sculpture, made by the students from recycled material, aims to bring awareness to climate change and will be on display at Trolley Portal Gardens (3940 Baltimore Avenue) through early June.

To celebrate the sculpture and Earth Day, we are teaming up with the University City Arts League [for a free giveaway](#). We're inviting aspiring artists of all ages to head to Trolley Portal Gardens on Saturday, April 17 to pick up a free Earth Day take-home art kit to participate in a community drawing experience! Our friends from [Renata's Kitchen](#) will be onsite vending refreshments and savory pastries, too.

RSVP to one of two timeslots to reserve your kit while supplies last. Kits are limited to two per household. Kit pick-up will be available between 10am and 12pm on Saturday the 17th. In the event of inclement weather, we'll move art kit pick-ups to Thursday, April 22nd from 4 pm to 6 pm.

Girl Scouts is launching the “Becoming Me” program in collaboration with Former First Lady Michelle Obama and Penguin Random House!

Inspired by themes from Mrs. Obama’s *Becoming: Adapted for Young Readers*, Girl Scouts’ new Becoming Me program aims to help girls become their best selves. Check out our story on Parents.com or visit www.girlscouts.org/becomingme to learn more.

I am reaching out to invite your school to share this incredible opportunity with the girls and families you serve. In the coming weeks, we will also be seeking adults to volunteer in facilitating the 6-8 week Becoming Me program series. Girls who join Girl Scouts for the first time or renew their Girl Scout membership in April will be able to attend a member-exclusive virtual event in early May. This virtual experience will feature a conversation between Girl Scouts and Mrs. Obama during which she will explore the themes in *Becoming: Adapted for Young Readers* and how they relate to Girl Scouts’ and young people’s experiences today.

The Becoming Me program will be available at no additional cost to any interested Girl Scout member enrolled for the 2021–22 membership year. Available to girls in grades K-12, the program will walk girls through earning three badges at each Girl Scout level.

Becoming Me is not just a special program for girls, but a new opportunity for adults to lean in and support girls’ journeys to finding their path and reaching their full potential. By becoming an adult Girl Scout member, your [members/participants/families] can facilitate the program series and create a safe community space for girls to explore their own stories.

I would like to schedule a virtual meeting to learn about your needs and discuss how GSEP can support your girls as they build their bright futures, the Girl Scout way. Some good times for me are Wednesday, March 24th or Thursday, March 25th, between 3-5PM. If these dates are not good please let me know what dates and times work best for you. Please let me know if this opportunity would be useful for your community.
